Park Avenue Building Is Proud Supplier Of House Beautiful's "Kitchen Of The Year"

Raymond Rivera, President of Park Avenue Building & Roofing Supplies, LLC (Park Avenue), is pleased to announce that the company was the supplier for the cedar decking and cedar fencing material of House Beautiful's "Kitchen of the Year" designed by this year's winner, Jeff Lewis.

"My team and I are very glad to have this opportunity to participate in House Beautiful's contest and to provide the product, grade and species that fulfilled specific requirements and designs," says Mr. Rivera. It was a collaborative project with Benjamin Moore, the supplier of Arborcoat paint. This project sets another milestone for the family-owned company following their prior achievement this past February when they were nominated for New York City's Premier Minority-Owned Enterprise supplier.

This year's "Kitchen of the Year" has a contemporary flair with a significant outdoor segment for the deck.

Park Avenue Building and Roofing Supplies, LLC (Park Avenue) is a Brooklyn-based, family-owned business that is certified by the city and state of New York as a Minority/Woman-Owned Business Enterprise (M/WBE).
